OUR STAFF

Luis C. Hines, Ph.D.

Luis C. Hines is the founder of Luis Hines and Associates, P.A. and has over 15 years of clinical and education experience with children and adults. He specializes in mood disorders, and sports psychotherapy.

Psychologists

Our psychologists at Luis Hines and Associates are able to provide an array of assessments including: Competency, parenting effectiveness, emotional/psychological functioning, ability to testify, learning disability, and employee training.

Some have been in practice for as long as 20 years and specialize in Clinical and Forensic psychology. We provide treatment for adults, couples, families, and children with mental and psychological addiction disorders.

Psychiatry

Our Psychiatrists specialize in treatment of mood and anxiety disorders, addictions and post traumatic stress disorder.

Social Workers

Our Social Workers specialize in providing individual, family, and marital counseling; addressing depression, anxiety, panic disorders, loss and grief, post-traumatic stress disorder, adjustment disorder and stress management using visualizations and meditation.

Nurse Practitioners

Specialize in providing medication management for individuals who suffer from depression, anxiety disorder, sleep disorders, and stress management to include observation of response to medication, observation for untoward effects, as well as counseling and education.
